

CITY COUNCIL MEETING.

Five Department Companies Will be Monopahan Nos. 1 and 2—Payment of City Taxes Extended to Dec 31—\$2,927.98 Expended on Sewerage Work For November—Other Items Considered.

Council held a regular meeting 8 p. m. Present Mayor W. B. Boyle, Aldermen H. D. Barnett, J. H. Chandler, P. F. Finn, E. E. Rhame and R. L. Wright. Absent Aldermen R. F. Haynsworth and R. K. Wilder.

Minutes of Nov. 17th and Dec. 5th were read and approved.

A letter was read from Mr. W. H. Ingram to the effect that minutes of Nov. 17th would indicate that he sought to escape liability under his bond for performance of conditions of the street railway franchise granted to him and his associate, whereas such was not his intention. That he merely requested council to continue the bond for the time given to Mr. Alnutt and that the bonds be made co-existent with the franchise under such extension.

And in case of non-compliance Mr. Alnutt and his friends he would not apply for a renewal of the franchise to him, with a larger sum to guarantee construction, thus giving an opportunity to tide over the adverse financial conditions now existing and renew the franchise under more favorable circumstances.

Letters were received from Messrs. W. H. Lyles and T. C. Williams asking council to give them until January 15th for payment of their bond. The same was granted.

Permission was granted B. Baldame to build a shooting gallery within the fire limits, of metal frame and sheet iron cover.

Mr. L. Alnutt appeared to inquire as to report of the committee to the railway ordinance was read and said that prompt action was important to him. The committee was not ready to report, and was adjourned until 10th inst., when a special meeting will be held to take definite action. Mr. Barnett was appointed on the committee to take the case of Alderman H. C. Haynsworth absent from the city. On motion Mr. Wright the committee was directed to employ counsel to advise them.

Mayor Boyle arrived at this stage of proceedings and took the chair. Alderman Chandler having presided until the mayor's arrival.

Request was made by Mr. Luther Curran that council reconsider their refusal to permit him to dispose of goods by means of a raffling wheel. Motion was postponed to 16th inst.

Mr. Barnett for the finance committee reported that the November report of the Clerk and Treasurer had been examined and found correct. And that the bills referred to them had been ordered paid.

Mr. Chandler for the committee of public works reported that they had engaged a surveyor to estimate cost of the proposed drains through the tobacco lands, and was granted further time on that matter.

Mr. Finn submitted an offer from Monaghan Hose Co. to man and operate the equipment recently purchased by the city from Deigar Hose Co., on condition, let that an appropriation of \$2,000 be made to defray all expenses of the two teams for one year.

That the name be changed to Monaghan No. 1 the companies to be Monaghan Nos. 1 and 2. Mr. Finn chief of the fire department explained that there is no purpose of money making in this proposition, but that the increase of appropriation is necessary to meet increase of actual expenses and nothing more. The offer was accepted. The danger from fast and reckless driving by the fire department was discussed, and Mr. Hood stated that he had given orders to the drivers and would enforce the rules of the city. The fire department chief was given charge and authority over the Hook and Ladder Co.

Mr. Finn reported that objection had been made by Mr. J. W. McKelvey to the location of the Standard Oil Co.'s tanks on the site proposed by them on account of danger from fire. The committee was given further time to consider the question and to report actual distances from nearest buildings.

Mr. Finn reported that objection change in the heating plans of the opera house would cost about \$180. On motion of Mr. Wright the committee was requested to consult an expert in reference to heating the building.

Request of Mr. A. G. Warren was granted that he be permitted to pay daily license on a merry-go-round at weekly rates, paying one day at a time instead of one week as heretofore.

The time for payment of city taxes without penalty was extended to Dec. 31st.

The mayor announced the appointment of Mr. F. D. Knight as supervisor of registration, to take effect on January 14th, 1908.

A petition was received from citizens for one more electric light on South Harvin and Bee Sts. Council realizing the necessity of lights in that section, expressed their purpose to provide them as soon as it is possible to do so.

Following resolution was adopted on Mr. Finn's motion: "Resolved, that it shall hereafter be unlawful for any person to ride a bicycle on the northern sidewalk of Caldwell St., and that the usual signs be placed on that street forbidding the use of the sidewalk to bicyclists."

Report of the sewerage commission for November was presented, showing \$3,937.98 expended for labor and materials. On motion of Mr. Chandler the report was approved and the following claims against the commission were ordered paid.

Dr. S. C. Baker, \$3; Sumter Railway and Mill Supply Co., \$233.56; Sumter Machinery Co., \$130.80; Durant Hardware Co., \$10.23; Sumter Lumber Co., \$37.90; Bultman Bros., \$25.60; Booth Live Stock Co., \$101.89; A. Report of the commissioners of public works for November was read and received as information.

Mr. Chandler stated that the chamber of commerce had appointed a committee of three citizens to go to Washington for the purpose of securing, if possible, a larger appropriation for the postoffice building and requested that council order payment of that committee's expenses, which was done, and Mess. Geo. D. Shore and E. T. Reardon were added to the committee.

Mr. Wright for the special committee appointed to confer with the Second Regiment band, reported that the band asks for seven hundred and fifty dollars per annum, without which they cannot continue their organization. They propose to leave the militia service and become the "The Sumter Band." Action was postponed to special meeting of 16th inst.

Badly Mixed Up. Abraham Brown, of Winterton, N. Y., had a very remarkable experience; he says: "Doctors got badly mixed up over me; one said heart disease; two called it kidney trouble; the fourth blood poison, and the fifth stomach and liver trouble; but none of them helped me; so my wife advised trying Electric Bitters, which are restoring me to perfect health. One bottle did me more good than all the five doctors prescribed." Guaranteed for blood poison, weakness and all stomach, liver and kidney complaints, by Sibert's Drug Store, 50c.

A Home Made Happy by Chamberlain's Cough Remedy. About two months ago our baby girl had measles which settled on her lungs and at last resulted in a severe attack of bronchitis. We had two doctors but no relief was obtained. Everybody thought she would die. I went to eight different stores to find a certain remedy which had been recommended to me and failed to get it, when one of the storekeepers insisted that I try Chamberlain's Cough Remedy. I did so and our baby is alive and well today.—Geo. W. Spence, Holly Springs, N. C. For sale by Dr. Lorme's Pharmacy.

Clapps, a wonderful case of healing has lately occurred. Her son seemed near death with lung and throat trouble. YOUTSEY TELLS STORY

OF THE GREAT KENTUCKY TRAGEDY.

Georgetown, Ky., Dec. 10.—Henry Youtsey, who is under a life sentence for complicity in the assassination of William Goebel, went on the witness stand today in the Caleb Powers trial. Youtsey testified that he had talked with Dr. W. R. Johnson in the latter's office about the killing of Goebel and of the purchase by himself of smokeless cartridges in Cincinnati. He said before the cartridges were ordered Johnson became impatient and said he could shoot Goebel with his pistol from the secretary of state's window, cursing Goebel at the time.

Youtsey told of the plot to kill Goebel. He gave a detailed account of events leading up to the tragedy and told of the preparations he had made for the shooting. It was Youtsey who met Jas. Howard, who is alleged to have done the shooting, upon arriving in Frankfort. Youtsey told of placing guns in Powers' office, of raising the window and drawing the curtains, of pointing out Goebel as he approached the capitol and of seeing Howard aim at Goebel. He then left the room and heard the crack of the rifle as he was descending the stairs. The witness connected Powers directly with the tragedy by stating that he fixed the floor for the entrance of the assassin and approved the plan. In his testimony he also gave very damaging testimony against Former Gov. Taylor, State Treasurer Day, Superintendent of Public Instruction W. J. Davidson, W. W. H. Collon and others connected with the State administration. The witness said that Taylor dictated a letter to him asking for Howard to come to Frankfort to "do the job" and he stated that he would give \$1,000, a pardon and a military escort to the mountains to the man who would kill Goebel.

Youtsey identified the original affidavit which he gave Powers while both were in the Louisville jail. In this document Youtsey made oath that he knew nothing against Powers to connect him in any way with the assassination of Goebel. The affidavit, the witness stated, was given to Powers at his request for the purpose of getting Powers a new trial as his case was then pending in the court of appeals. An agreement purporting to have been given Youtsey by Powers in exchange for the affidavit was also put in evidence. The agreement was to the effect that the affidavit made by Youtsey for Powers should not be made public and should be returned to Youtsey in 15 days. Youtsey stated that he knew when he made the statements sworn to in the affidavit that they were false and that Powers knew it, too, but Powers said he must have it to get a new hearing. He said Powers wrote the agreement.

Danger in Asking Advice. "When you have a cough or cold do not ask some one what is good for it, as there is danger in taking some unknown preparation. Foley's Honey and Tar cures coughs, colds, and prevents pneumonia. The genuine is in a yellow package. Refuse substitutes. Sibert's Drug Store.

Agencies Established by Farmers' Union in Foreign Countries. Greenville, Dec. 11.—Mr. W. C. Moore, financial agent for the Farmers' union, returned to Greenville today from a trip to Europe. Mr. Moore went to England and Germany for the purpose of conferring with the spinners about making direct sales of cotton. He made a close study of the situation and as a result agencies have been established at Manchester, England, and also in Germany, through which Farmers' Union cotton will be sold direct to the spinners. Mr. Moore is enthusiastic over the plan and declares it will result in saving at least a dollar a bale on cotton thus handled.

He predicts sensational prices later in the season, when the consumer finally realizes the size of the crop and the fact that the farmer is not willing to take less than 15 cents.

"A tickling cough, from any cause, is quickly stopped by Dr. Shoop's Cough Cure. And it is so thoroughly harmless and safe, that Dr. Shoop tells mothers everywhere to give it without hesitation, even to very young babes. The wholesome green leaves and tender stems of a lung-healing mountainous shrub, furnish the curative properties to Dr. Shoop's Cough Cure. It calms the cough, and heals the sore and sensitive bronchial membranes. No opium, no chloroform, nothing harsh used to injure or suppress. Simply a resinous plant extract, that helps to heal aching lungs. The Spaniards call this shrub which the Doctor uses, "The Sacred Herb." Always demand Dr. Shoop's Cough Cure. Sibert's Drug Store.

"The finest Coffee Substitute ever made, has recently been produced by Dr. Shoop of Racine, Wis. You don't have to boil it twenty or thirty minutes. "Made in a minute," says the doctor. "Health Coffee" is really the closest Coffee Imitation ever yet produced. Not a grain of real Coffee in it either. Health Coffee Imitation is made from pure roasted cereals or grains, with malt, nuts, etc. Really it would fool an expert—were he to unknowingly drink it for Coffee. Levy & Moses.
